Dear North American Arms Customer,

Gun owners are facing a pivotal battle for the future of the Second Amendment on November 4th, 2008.

If this election continues on its current course, an anti-Second Amendment politician could win the White House and have the potential to give anti-gun forces control of Federal agencies, Congress, key Congressional Committee Chairmanships and the power to appoint judges.

With that power, you can count on them to move ahead with their agenda to harass gun owners with a flood of new regulations that could close gun shows, drive gun makers out of business and ban many popular firearms—including many of the guns you may own today.

Now, more than ever, we must protect our Second Amendment right to keep and bear arms from those who would affect that right.

The best organization to do that is the National Rifle Association, and I urge you to JOIN NOW.

Join by calling 1-877-672-2000 or by visiting NRA's website, www.insureyourgunrights.com.

NRA membership is regularly \$35 per year. But if you join today, NRA will sign you up for a full year of NRA membership for a special election year rate of just \$25.

When you join, you'll get great benefits including: a year's subscription to *American Rifleman*, *American Hunter* or *America's 1st Freedom* magazines, \$1,000 in firearms insurance, plus you'll receive a 20-piece, rosewood handle multi-tool – a \$29.95 value – free with membership.

Remember...the NRA's strength to save the Second Amendment comes from you. And with the biggest battles just ahead, they need your help more than ever. Resolve to take a stand for America's gun ownership rights, and JOIN today.

Sincerely,

Sandy Chisholm
President
North American Arms
